

Dear friends and partners,

WELCOME TO VWAN-NIGERIA PROJECTS IN AUGUST 2010

Possibly you still want to make a choice of project to attend in August, we have a **SPECIAL INVITATION TO YOU** for our August project. This is a project to experience ecological atmosphere in Nigeria, ever green in the village to behold forest beauty. So many events and activities for these projects. Team up with already motivated volunteers to build the community. **The 90th Anniversary of SCI movement will be celebrated with Village Youths and Leaders. This will launch us into our Conflict Resolution / Peace Project in September.**

1ST Project in AUGUST 2010

DESCRIPTION: This construction workcamp is located in a village that has geographical history linked to Yewa South in Ogun state. The Ultra modern community hall is designed to make facilities available for the youths, women and children within the village. Other neighbouring towns and village will share from this project.

W: Mainly foundation laying, walling the fence, block molding and laying and setting the pillars.

S: Construction Project

L: English

A: Volunteers will be accommodated in a public primary school and outside tent is also allowed for warming climate

Date: 8th August to 22ND August 2010

T: Located at Oloparun Village in Yewa South Local Government of Ogun State. Very close to border point between Republic of Benin and Nigeria.

X: Volunteers feeding and accommodation is guaranteed. Volunteers will be picked up at the nearest Airport to the project site. Participation fee is €200. Excursion is also part of the programme.

2nd Project in AUGUST 2010

DESCRIPTION: The 6 Classroom blocks will be completed in a Ilogbo village. It is a community school needed for completion to improve education facilities in the community. There is no secondary school and many of the children are stranded to continue education after nursery and primary school. The school has started through self help project of the community and now needed to be finished.

W: Fixing the windows and Doors, Plastering the walls and roofing the building.

S: Construction Project

L: English

A: Volunteers will be accommodated in a public primary school and outside tent is also allowed for warming climate

Date: 15th August to 4TH SEPTEMBER 2010

T: Located at Ilogbo Town in Otta Local Government of Ogun State. Very close to border point between Lagos and Ogun State.

X: Volunteers feeding and accommodation is guaranteed. Volunteers will be picked up at the nearest Airport to the project site. Participation fee is €200. Excursion is also part of the programme.

AND, ALSO, OUR MTV AND LTV PROJECTS ARE STILL ON FOR VOLUNTEERS TO PARTICIPATE!!
